EXPERIENCE

Serve El Paso
El Paso, TX · May 2025 – Present

Head Pickleball Pro & Assistant Manager

Promoted three times in under a year: Groundskeeper to Head Pickleball Pro & Assistant Manager.

Groundskeeper → Pickleballer → Pickleball Manager → Head Pickleball Pro & Assistant Manager

- Lead the pickleball program as Head Pro and Assistant Manager, supervising staff and coordinating scheduling, courts, and daily operations.
- Run leagues, events, and open-play sessions, balancing participant demand against facility availability.
- Supervise check-ins, payments, and registrations while keeping accurate records.
- Primary point of contact for players: resolve issues quickly and keep the experience organized and welcoming.
- Work with staff to maintain safety compliance and smooth operations.

United Parcel Service (UPS)
El Paso, TX · Nov 2023 – Jan 2024

Seasonal Package Handler

- Sorted and processed shipments accurately to support on-time delivery in a fast-paced environment.
- Loaded and unloaded vehicles, handling packages up to 100 lb and operating pallet jacks and hand trucks safely.
- Verified labeling and routing information to prevent errors and package damage.

Cell Phone Repair
El Paso, TX · Sep 2021 – Oct 2023

Repair Technician

- Specialized in repairing Apple products and held a repair certification; diagnosed device problems hands-on and explained repair options in plain terms.
- Processed sales, returns, and exchanges on POS systems with accurate cash handling.
- Managed inventory intake and restocking; built repeat business through clear communication, reliability, and follow-through.

PROJECTS & VENTURES

AtlasNFC
Founder & Creator · Sep 2026 – Present

- Developing custom NFC tap-to-review plaques that open a local business's Google review page with a single phone tap; wrote the sales handout used to pitch local businesses.

Frugal Intentions
Founder & Creator · Sep 2026 – Present

- Designed and launched a public resale search website (shopfrugalintentions.com) that searches eBay, Etsy, and other platforms from one search box, built with AI-assisted development; set up hosting on Render with automatic GitHub deploys, a custom domain, and email forwarding.

RESEARCH EXPERIENCE

Undergraduate Research Assistant
Sep 2022 – Apr 2023

Adolescent Development and Delinquency Lab, UTEP

- Co-authored *The Root Causes of Poverty in the United States: A Literature Review* (2022), a 16-page review of 20+ scholarly studies funded by Feeding America.
- Pilot-tested a bilingual (English/Spanish) community survey and checked its questions against the source questionnaire, reporting problems to the research lead.
- Managed the shared OneDrive research folder and helped onboard four new research assistants.
- **Teaching Assistant, DRSC 3312 (Fall 2022):** wrote weekly Kahoot quiz questions from lecture slides and verified student submissions in the course platform.

SKILLS

- **Technical:** Microsoft Excel and Office, basic circuit knowledge, programming, device troubleshooting, testing and verification, literature review, survey testing, documentation.
- **Leadership & teamwork:** Promoted repeatedly into supervisory roles; communication and customer service; POS and inventory systems.
